

1 It said this product contained asbestos,
2 avoid breathing the dust. We did that six years
3 before the government required it, and there is maybe
4 three to 400 companies that manufactured asbestos
5 products. I think we were the second or third to do
6 it.

7 1970 our label changed to much stronger
8 language.

9 Those are the things that we did that you
10 didn't hear about.

11 Now, you are going to see a lot of documents
12 from both sides, a lot of disputes about a lot of
13 things. You are going to see documents first from
14 them.

15 I would ask you to just keep an open mind
16 because I will fill in documents that explain some of
17 those documents.

18 You know, sometimes actions speak louder
19 than words, and I feel that way. You can say whatever
20 you want, you can write whatever you want, but what
21 the plaintiffs didn't tell you, because they wanted to
