ion but—and there were the poles," said Woods.

A spokesman for the city said selection of routs and engineering were completed before an order from the Public Utilities Commission (for no formal consultation with city or PUC commission approval of the project) was required prior to that order.

tional funds for expanded services and that he wants

Planners Back Rejection of Zoning Change

The County Regional Planning Commission has recommended that supervisors turn down a zone change that would permit a residential planned development on Palos Verdes Peninsula.

Frederick Frischling had applied for the change to allow construction of 15 units an acre for the 23-acre parcel on the ocean side of Palos Verdes Drive West across from its intersection with Berry Hill Drive, property now zoned for only one home to an acre.
