Hi Tate --

PPC would still like to have you guys join us on the 15th if possible. If something comes up, no worries, we are happy to reschedule for a future meeting.

I'd just hate for you to lock us in when you can get someone else to fully commit. Maybe next meeting?

Tate,

Unfortunately we can't move the monthly meeting, but we do meet every month. If something comes up the day of we're happy to reschedule and invite you to the next meeting. Please let me know if you want us to keep you on the agenda for June.

Thanks,

Andrew

Andrew-

This is my mistake, but is there any opportunity to engage with the group on the 16th or can you send me a schedule of the day's events of the 15th? Pruitt will now be on the hill most of the day on the 15th, and we will all be on call. If I can take a look at line by line OR if the 16th is an option, that would be ideal. If not, we can try and work something out on our end or come to the next meeting.

Sorry for the complication here.

Tate

Tate, Amy & John,

Sorry for the delayed response, but we're all set for June 15th from 11:30 to 12:00. The meeting will most likely be at Crop Life America's office but I'll confirm as the date nears. I can meet you in the lobby when you arrive. Im sending a calendar invite now and will touch base with you again the week of. Have a great weekend.

Thanks,

Andrew

Tate,

Could you please let me know by early next week if you will be able to attend the PPC meeting?

Thanks,

Andrew

Subject: PPC Meeting June 15th

Tate and Amy,

I heard back from others on PPC leadership and we would like to invite you to speak at our meeting on June 15th. The meeting runs from 10:30 to 12:00 and we reserve 11:30 – 12:00 for discussion with an outside speaker like you. We would also like to invite Nancy Beck and Samantha Dravis if they have availability. We would hope to be able to present some of our issues but also have a discussion with you and some updates from EPA. We can finalize details when closer.

Please let me know at your earliest convenience.

Thanks,

Andrew
