Dear Mr. Stokes:

I enjoyed working and becoming acquainted with you during our recent meeting in Tyler.

Our Vice President of Manufacturing, Mr. E. W. Holman, has asked me to temporarily fill some of the void left by Mr. Kelley and I thought it in order to write you.

I realize that I cannot fill the vacancy left by Mr. Kelley during the interim period, but we intend to do everything possible to keep the office active for his eventual successor.

Hopefully, we will not have an occasion to meet again at the International Step of a grievance but if we should, I feel that through discussion and mutual effort we would be able to resolve any issue which might arise.

Should there be any correspondence or need for personal contact from your office regarding any Union activities at the Tyler Plant, I can be reached at our Sedalia, Missouri address. The telephone number is - 826 - 4660.

Very truly yours,

K. L. Chastain
