INTER-OFFICE CORRESPONDENCE

TO	Dr. R. A. Kehoe	ADDRESS	Cincinnati
FROM	H. K. Ball	ADDRESS	Tulsa
SUBJECT	Eastern Airlines - Miami, Florida	DATE	November 28, 1949

We are attaching hereto copy of a letter from Mr. H. L. Morris of the Safety Department of Eastern Airlines, requesting certain information on tests that were conducted for Eastern. In commenting on this Mr. Jordan states as follows:

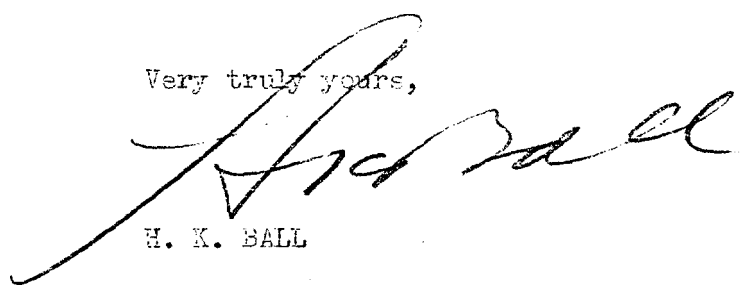

"Will you please pass this on to Dr. Kehoe and ask that he advise Eastern Airlines.

"I don't think he should answer Mr. Morris. I think it should clear through their Dr. Edwards. I will write Mr. Morris that his Dr. Edwards will no doubt hear from our Medical Department. I would also like to know the results of their test.

"I doubt that Morris wrote this with approval of management."

It is presumed that Dr. Kitzmiller has Dr. Edwards full name and address.

Very truly yours,

H. K. BALL

Tests on tanks

11-23-49

Will you please advise as to outcome of tests on tank compound which we mailed to you some weeks ago.

Also have heard nothing to date of the blood and urine tests which we sent to Cincinnati to Dr. Kessenger for analization. As the workers on these tanks in question are becoming uneasy from the suspense, we are trying to do everything we can to appease them and avoid any unpleasant circumstances regarding a work stoppage. Wonder if you may be able to push this a little?

Received the Fire Power booklets OK. and was received by all concerned as good stuff, wish to offer my thanks for your efforts.

Hoping you may be able to get a little action in the near future for which we will all be very grateful.

Respectfully,

S- H. L. Morris, Safety Dept.
