

3 Reasons
STRONG* Traps
are easy to maintain!

Look for these three STRONG low-maintenance features in the STRONG 80 Series Inverted Bucket Trap:

1. Anum-Mell Valve and Seal—guaranteed leakproof for one year;
 2. Bolted-in seat design—insures tight seal, easy servicing;
 3. Stainless steel bucket and trim.
- Compare these features with other traps! STRONG 80 Series Trap sizes 1/4" to 2 1/2", pressures to 250 lbs., temperature to 500° F. (forged steel for higher pressures).

Dual outlet simplifies piping, bottom inlet keeps trap cleaner. Years of trouble-free operation assured by super-STRONG construction.

Catalog No. 68-H describes inverted, open bucket and other types of STRONG traps. Write today.
