RE: Close Out – Administrative Order Docket No. SDWA-02-2025-8038
Rockaway Township Water Department (PWS ID. No. NJ1435002)

Dear Mayor Jackson:

This is in follow up to the Administrative Order (AO) referenced above, issued by the United States Environmental Protection Agency (“EPA”) to Rockaway Township Water Department public water system on April 1, 2025, for failure to comply with the reporting requirements associated with the fifth cycle of the Unregulated Contaminant Monitoring Regulation (“UCMR5”), 40 C.F.R. Part 141 Subparts D and E.

The information you provided on April 4, 2025, represents an appropriate response, and demonstrates compliance with the UCMR5 reporting requirements as required by the AO in reference. Therefore, Nyack Village Water Supply has satisfied the requirements of the AO.

Thank you for your efforts to comply with the requirements of the Safe Drinking Water Act.

Sincerely,

NICOLE
