

09:33:53:27 all these things come up in meetings. Each guy
09:33:57:13 goes and says, "I want this, I want that, I want
09:34:00:24 something." I try to go and put the thing in to
09:34:03:01 some kind of what did they say. So this is one
09:34:07:10 guy wanted it. We have no -- we had no research
09:34:10:18 facilities to go and do it with. This is like
09:34:15:00 what I refer to a committee, okay? This is
09:34:17:22 referred to the committee.

Q The Asbestos Study Committee?

A Yes.

Q And that was composed of individuals who
were members of the Institute?

A That is correct.

Q Okay. Do you recall any discussion as to
whether or not the members expressed a desire to
not do such research?

A I am sure some of them did, because
people were doing their own research. There
really was no joint research by the FMSI. Abex
would do their research. Bendix would do theirs.
GM would do theirs. Raybestos would do theirs,
and whatnot. But nobody was going to go and tell
the other guy how to make the competitor's brake
lining. This here was some by some person, one
