

...million dollar mark in recoveries and adjustments for California growers during the last five years. Thousands of claims were filed in that period against all types of receivers of farm products including outright buyers, dealers, commission merchants, brokers, canners, wineries, dried fruit packers and milk distributors. Growers received a total of \$1,000,584.

Many of the actions were followed up by the suspension or revocation of the state license which the produce dealers were required to obtain the department aid.

The year by year recoveries and settlements 1931 \$1,293,674 1932 \$1,067,493-1933 \$1,500,140 1934 \$1,534,075 and first three months 1935 \$1,088,359.

Handball was introduced into the United States from Ireland about 1840.
