ANSWER OF RESPONDENT
NORRISTOWN MAGNESIA AND ASBESTOS COMPANY

Now comes the respondent, Norristown Magnesia and Asbestos Company and denies that it has violated the provisions of Section 5 of the Federal Trade Commission Act and denies that a proceeding by the Federal Trade Commission in respect to this respondent would be in the public interest, and for answer to the amended complaint with respect to it in the above entitled proceeding, hereby incorporates herein by reference its answer to the original complaint and the defenses therein set forth and adopts it as its answer and defenses to the amended complaint with like force and effect as if the same were herein fully set forth at length and with like force and effect as if the said answer used the term "non-licensed" instead of "unlicensed" wherever said latter term appears in the original answer.
