Dutch Boy paint makes all the difference!

It's easy to see the difference. A Dutch Boy home
looks brighter, cleaner, newer—it's a home you can
be proud of! And there's a practical difference,
too. As any Master Painter will tell you, *Dutch Boy*
is smooth and easy to apply, there are no
cracks, chips or uneven, mottled finish. There's
real economy in the extra year of beauty and pro-
tection that *Dutch Boy* gives you—beauty that
means labor protection that keeps your home
bright and handsome regardless of the weather.
This is why homeowners everywhere are calling
Dutch Boy the first-year home paint.

For the whitest home in town, and one that will
stay white longer, use the *Dutch Boy* white best
suited to your home. *Dutch Boy* makes a top-
quality, specially blended white for every one.
Your dealer will be happy to tell you about them.
