Mr. Norb Bolda, General Manager
Chemical Waste Management, Inc.
Rt. 2 Box 1955
Sulphur, LA 70663

Dear Mr. Bolda:

On July 3, 1984 a LESHAP inspection for the proper handling and disposal of asbestos was conducted at Chemical Waste Management, Inc. facility on John Brannon Road, Carlyss, Louisiana, by Mr. William Coltrin and Mr. Cliff Janney of this office.

Mr. Janney's report indicates that the requirements for an acceptable asbestos waste disposal site are being met as specified under Section 81.6 of the Louisiana Air Quality Regulations on Asbestos.

We thank you and Mr. Jones for your cooperation. If you have any questions, please contact Cliff Janney of my staff at (504) 342-1206.

Sincerely,

WHD
