Re: I# 101017275
Hebert Brothers Engineers, Inc.

To Whom It May Concern:

We are requesting the following documents:

- A. All Asbestos Monitoring Data for Cell Service Area
Area & Personnel, sampling for 1985 and 1986 Cell
Block #56
- B. Layout Sketch for Cell Block #56

Review of these documents is necessary to facilitate the current complaint investigation of Hebert Brothers Engineers Inc., located at the Dow Chemical facility in Plaquemine, Louisiana.

Your cooperation to this matter will be most appreciated.

Sincerely,

Paul J. Hansen, Jr.
