Uniontown, Pennsylvania 15401

Dear Dr. Shelby:

Attached is a respiratory disease questionnaire which we recommend for your OSHA required physical examinations. Please review at your earliest convenience and advise me of any corrections, deletions, or additions you would recommend. Upon your response, we will print sufficient copies to cover the program at all locations.

I hope that you and Tom Whelan have been in contact and that the program will soon be well under way. Thank you again for your cooperation.

Very truly yours,
