BOSTON POLICE ~
New England Champions

For big game—U. S. Improved Hunting Cartridges. A most advanced type of ammunition for both the older and newer models of big-game rifles. Give speed with weight behind it. Noted for their deadly shocking force and ability to kill cleanly at long range. Non-corrosive priming mixture.

At the Rifle and Pistol Tournament of the United Services of New England, held at Camp Curtis Guild, Mass., on August 14th, the Boston Police Team No. 1 won the Harding Police Pistol Match with an aggregate score of 1072.

The individual scores were:

	Slow	Timed	Rapid	Total
Vail . .	98	95	90	278
Adair . . .	92	84	80	256
Desmond .	96	90	95	281
Crawford . .	91	87	79	257

The Weymouth Police Team was second with a total score of 1045.

Both teams shot U. S. Ammunition.

In the Colt Individual Police Match, William J. Murphy of the Haverhill Police was high with the following score: 97 Slow Fire, 95 Timed Fire, 95 Rapid Fire, 287 total. Murphy also used U. S. Cartridges as did the runner-up, W. T. Desmond of the Boston Police, who scored 280.

U. S. Cartridges are accurate—*extremely accurate*—as these scores prove.
