Hi Bill!

It is so great to hear from you! We miss you guys very much over here!

This sounds great and I know Chris would love to be a part of it. Let me run it by the boss when he gets back next week because we are scheduled to be on international travel starting November 5th at the moment... Once we can touch base on exact dates for that trip I will get back to you.

As always let me know how I can help and tell everyone hello for us!

Izzy/Audrey,

I miss you ladies. I have a speaking opportunity for Chris. The date is Wednesday, November 5th in Houston either at 9am or the speaker at lunchtime. The event is KPMG's Global Energy Conference. I started the event in 2005. This is the CERAWEEK for Board Members and senior Financial Executives in

the Energy industry. In fact, Dan Yergin wanted it to be part of CERAWeek. Attendance will be around 750.

Prior Keynote Speakers are:

- * President Bush 41
- * Tony Blair
- * Vicente Fox
- * Condoleeza Rice
- * Dick Cheney
- * Rex Tillerson
- * Madeleine Albright
- * Colin Powell
- * Sir Philip Watts
- * others

I know you guys are busy so I am keeping this intentionally short. I can add lots of details as this was my event for years.

Bill
