**Subject:** flight information for the charter  
**Received:** 2019-01-30T14:55:18-05:00

A complete itinerary will be forthcoming (to include the room block information for UTQ and KAK), however, this is to allow for travel authorizations and so arrangements can be made for the commercial flights now and book rooms as appropriate in FAI or ANC.

A commercial flight will need to be booked for the public meeting in Fairbanks on February 4th and to the DC meeting on the 13th of course...

#### CHARTER FLIGHT INFORMATION
