*File - investigation
of gasoline burners etc.
Case of 13 burners + 4
single burner + 2 appliances and
1 burner + 1 burner in file*

Dr. Robert A. Kehoe
College of Medicine
University of Cincinnati
Eden Avenue
Cincinnati 19, Ohio

Dear Bob:

With further reference to gasoline burning appliances, I will discuss the subject with you in Baton Rouge during the week of July 15. We can then make plans for someone from this laboratory to visit Cincinnati and discuss experimental details.

Very truly yours,

George
