The popularity of the Del Beach orchestra has been manifested lately by the number of times that they have been asked to play during the past week. Wouldn't it be awful if the genial trap drummer and leader, Mr. Beach, got rheumatism in his arms.

George Mallett started to work yesterday morning and was unable to kid the Marine—result: the shop was short one man yesterday.

Over forty men are on leave at the present time.

Tom Beasley has left for the East, where he will be gone for six weeks.

James A. Mullaney, our shop carpenter, has been transferred to the Joiner Shop. Our loss is their gain.

Albert Ohlsen took May day off. "For I am to be king of the May, mother, etc."

Peter Nielsen has been bit by the journalism bug. He is seriously thinking of taking up an extension course at the University of California.

Wade Knight motored to Boyes Springs Sunday.

Don't Neglect Your Floors

It's fun to paint or varnish them yourself—easy too

FLOORS that have a good finish do not get scarred and worn, the finish takes the wear. Well finished floors always look better, too.

If your floors need refinishing and you can't get a painter to do the work, refinish them yourself. You can do it easily—"it's really fun."

Our "Home Service Paint Department" was organized just to help women refinish things about the home. Write for free advice, telling us what you want to refinish and how you want it to look.

Our experts will explain every step of the work and recommend the right materials, brushes, etc.

There are special Fuller Paints, Varnishes, Enamels, Wall Finishes and Stains for you to use. They are the best products of their kind that we know and we have been making such products for 73 years.

Take advantage of Fuller's Free Advice and Fuller's Products in beautifying your home. The results will surprise you. The work will fascinate you.

Fifteen-for-Floors

Fifteen-for-Floors Varnish. This varnish is unexcelled for beauty of finish, durability and ease of application. Rolling furniture, boiling water, heel marks, everyday wear and tear have no effect on this glossy, elastic and durable finish.

We also make Decorit Varnish Stains, All-purpose Varnishes, Rubber-Cement Floor Paint, Washable Wall Finish, Silkenwhite Enamel, Fullerwear Varnish, Floor Wax, Auto Enamel, Fuller's Hot Water Wall Finish (kalsomine), Porch and Step Paint, and PIONEER WHITE LEAD.
