dear sandi,
re your indian order jbm 30942
the lc required a telex advising the nego. date etc. to opening bankg,
but i understood as importer. bank says the telex should be sent to
bank not globe, and it is too late to send the telex now. so
we have discrepancy. please advise your instruction for the bank.
i have never seen any bank asking this kind of request.
sorry for the mistake. tks okwon joh
