Robert A. Kehoe, M.D.
Department of Environmental Health
College of Medicine
University of Cincinnati
Cincinnati, Ohio 45219

Dear Dr. Kehoe:

I am writing for one of our residents, Dr. Fouts, in Preventive Medicine who is presenting an assignment entitled, "The Case For Lead Being a Significant Air Pollution Hazard.

Would you be kind enough to send him some of your reprints or papers regarding this subject. His assignment is due April 16, and would appreciate receiving them before this date.

Thank you for your cooperation.

Sincerely,

Mrs. Theron Bull
