Apologies Izzy,

In the craziness of our conference season, I forgot to follow up with you! If there has already been movement on this (as the 17th has come and gone) then please excuse my email!

Hi Sofia!

Thank you for the follow up and patience as we are working through a high volume of requests.

Do you mind checking back in towards the end of next week. The week of the 17th is still up in the air, and I want to make sure I get you a solidified response. Sorry to keep delaying this and thank you for your patience.

Best,

Izzy

Hi Sofia!

I wanted to follow up with you. This is definitely a meeting we would like to make happen for the week of March 17-19th. We are awaiting approval from our ethics team at the moment and normally can look to lock in an exact date and time about two weeks out.

If you could please touch base with me at the start of March, that would be great!

Thanks so much.

Izzy
