Re: Nevada Power Company v. Monsanto Company, et al.
USDC, District of Nevada Case CV-S-89-555-LDG (LRL)

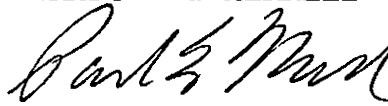

Dear Richard,

Attached is Nevada Power's response to General Electric's May 14th, 1993 interrogatories. By court order, Nevada Power was required to answer only fifteen of the interrogatories. Also, due to court order, we were given just one week to answer the interrogatories. Because of this rush, we were not able to send a runner to for your verification prior to sending out the responses. Please review this response for your approval and send back by runner the original signed corporate verification as soon as possible.

If you have any questions, feel free to call me or Deborah Mailander who also participated in developing the response.

Sincerely,

BRADLEY & MERRELL

Re: Nevada Power Company v. Monsanto Company, et al.

Dear Paul, Bruce and Steve:

There is a possibility that the Edison Electric Institute ("EEI") 30(b)(6) deposition that is scheduled for Thursday, July 22, 1993, may not go forward as planned. EEI has advised us that it may choose to contest the subpoena. We are continuing to negotiate with EEI on this issue, but it is not clear whether we can resolve it before Thursday. Accordingly, you should check with me on the status of the deposition before sending someone to Washington.

Sincerely,

Laurie Basch
