

GENERAL
MEMORANDUM

DATE December 30, 1952

TO Dr. F. A. L. Holliday *Mr. Leet*FROM J. E. Wood *JEW*

I suggest that we obtain Mr. Leet's concurrence to ask ~~Erwin Hattox~~ ^{Erwin Hattox} to coordinate and complete final negotiations of the attached contract with Dr. Choppin and Dr. West. It will be necessary for ~~Erwin Hattox~~ ^{Erwin Hattox} and Pat Casey to hold an informal discussion with Dr. Choppin in order to develop the information to be inserted in the blank spaces in the attached draft. We would submit the draft, signed by HJV, to Dr. Choppin for his signature.

I would then suggest that ~~John Cogan~~ ^{Erwin Hattox} be given the responsibility for coordinating the work to be done under the contract with the assistance of ~~Erwin Hattox~~ ^{Erwin Hattox} and Maurice Amis. I would visualize that we would request all reports to be submitted in triplicate, with a copy to each of these three persons. Dr. Choppin would be requested to contact ~~John Cogan~~ ^{Erwin Hattox} on all matters pertaining to the contract and ~~John Cogan~~ ^{Erwin Hattox} in turn would submit all special requests to Dr. Choppin.

Does this sound all right to you?

I agree
