Mr. E. P. Palmer
Hammond, Indiana

Thank you for your letter of the 27th with the list of brokerage agreements now in effect in your division.

We have copies of none of the contracts you listed, and it is Mr. Kolb's desire that you send us signed copies of each agreement. This should be done at the time the contract is entered into, but since it was apparently overlooked in the past we will just have to do the best we can now to bring our records up to date.

We would therefore appreciate your sending us a copy, and a signed copy if possible, of each of the contracts listed in Mr. Roddy's memorandum of October 26th, and from now on, kindly send us a signed copy of every contract you enter into at the time it is executed. In this way we will be able to keep our files up to date and in agreement with yours.

Please also be sure to notify us of any cancellations so that we can mark our copies of the agreements accordingly.

At the present time we are in the process of checking the Legal Department's contract records to make certain they are up to date and in accord with the contract records of our various divisions.

In this connection we would appreciate your giving us a list of all agreements now in effect at our Hammond Division with salesmen, brokers, and jobbers or dealers if you happen to have any of this type. Please indicate the name of the other party to the contract, the date of the agreement and the type of contract it is - that is, whether salesman's, brokerage or dealer.

Specifically, please advise whether or not the following agreements, of which we have copies in our files, are now in effect:

Brokers: Walter A. Moser - June 1, 1947

Salesmen: Charles W. Clark, Minneapolis - 2/17/45
Robert E. Griffin, Chicago - 7/6/45
