Mr. Deputy Administrator,

Thank you again for taking the time to meet with us on Thursday. I appreciate all the work you're doing to get the RVP waiver done as expeditiously as possible. It was encouraging to hear that it is being kept separate from the other more complicated topics.

As I mentioned, our company is the nation's third largest ethanol producer and we export over a quarter of it, so if I can be a resource on any questions about exports please don't hesitate to reach out.

Thanks again sir,

Devin Mogler | VP Government Affairs
