

Outdoor use, as well as a portable outdoor double drive with 40 ft. duty cord and...

Outdoor electric outlets have been weatherproofed, and for complete protection, they may be closed over when not in use. These can be attached to fence posts, trees or buildings near activity areas.

Doubling In Sound

There will be almost twice as many intercommunication sets in use in homes at the end of this year as there were in 1955 according to an estimate from the Teletalk Division of the Webster Electric Co., a leading maker of intercom equipment.
