Hi Patrick,

Hope all is well. I thought you might want to know I heard last week that the Commerce White House Liaison is looking at my resume, and I have been advised to keep reaching out.

Please do let me know if there is anything I can do to be helpful.

Best,

Hi Patrick,

Thank you again for taking the time to chat today. I enjoyed hearing about your work on the campaign and the breadth of issues you are working on at the EPA. You might be interested in [this](#) press release from our CEO on today's energy EO.

Also, thank you for your willingness to share my information for an administration position. I would be honored for an opportunity to serve. My resume is attached, along with a letter of recommendation from our CEO that provides some additional context (though it is a couple months old and focuses on State and DOJ).

As we discussed, I am interested in international and energy/environmental issues. I also enjoy working with businesses in general, and especially startups. Here are the positions where people have recommended me, with my top three preferences highlighted:

White House: NEC or CEQ international energy advisor/counsel/aide position and open to other options.

Commerce: Deputy position with the International Trade Administration, or a Deputy General Counsel position with the Office of the General Counsel.

State: Senior Advisor positions in the Office of the Under Secretary for Economic Growth, Energy, and the Environment (E), Energy Resources (ENR), or Economic & Business Affairs (EB).

DOE: Deputy/Special Advisor positions under the Assistant Secretary for International Affairs, or Deputy General Counsel position.

EPA: Deputy General Counsel position.

DOJ: Deputy Assistant Attorney General position in the Environment and Natural Resources Division (ENRD).

Please reach out if there is ever anything I can do to be helpful.

All the best,

Sounds good. I can do 9am on Tuesday the 28th or Wednesday the 29th. Which works better for you?

That would be great. Let's get something on the calendar for the week of March 27. I like to meet at 9 a.m. at the Trump Hotel Starbucks Tuesday or Wednesday that week.

Thanks,
Patrick Davis
