Mr. G. C. Eggleston
Johns-Manville Corporation
Dennison, Texas

Dear Mr. Eggleston:

As we discussed during our visit to the plant, we plan to arrive in Dennison on January 17, 1965. Our arrival will probably be in the afternoon, and we hope to set up and commence sampling immediately.

In addition to myself, the team will include Mssr. James L. Oser and Thomas A. Brown. Dr. Cralley will arrive later in the week, and we also expect visits from some Texas State Department of Health personnel.

Your participation in this study is appreciated, and I am looking forward to seeing you in January.

Sincerely yours,

Jeremiah R. Lynch
