Tsai, Shan SP SHLOIL-SPS, 您好!

Good news that is I and Dr Yin will visit NCI at early of Oct. The best time for them should be bigan 1 of Oct. Because of budget problem, we could not go early.

Today I have received Dr George Woodall's email and the plan of project. He said there is a meeting in September 27. I think this is a good chance to meet you and all others in cosultium panel.I have not reemail to Dr Woodall.Please call me tonight if it convenient to you.
