

1 Anything else from any counsel before we
2 recess for the weekend?

3 MR. SHELLENBERGER: I don't know if you want
4 to be this picky, I am just kind of nit-picky about
5 this letter. It is the only thing I don't have in
6 yet.

7 This is the letter sent in to Mrs.
8 Vandergucht that she identified as being the first
9 time he knew about asbestos.

10 THE COURT: She was asked about that on the
11 witness stand and as I recall -- what number?

12 MR. SHELLENBERGER: VA 35 on 5-30-96.

13 THE COURT: Refresh my memory if you will,
14 when did Mrs. Vandergucht testify?

15 MR. SHELLENBERGER: 5-30-96.

16 THE COURT: Let me just get to that for just
17 a moment.

18 Ms. Wood testified, Ms. Grossblat. Ms.
19 Grewe, she testified, and --

20 MR. SHELLENBERGER: And then it should have
21 been Ms. Vandergucht.
