

UNION MANAGEMENT MEETING

JUNE 12, 1963

Old Business

1. Subject: Dowtherm fumes and smoke still in Dowtherm control area.  
Action: Management stated that this program is still in effect and will continue until this situation has been corrected.
2. Subject: Dust situation on No. 2 Line still bad.  
Action: Management stated that at the present time they have no solution to this problem.
3. Subject: Turn table for work benches in Mold Department.  
Action: Management stated that this will be installed if a device that is not too complicated can be made.
4. Subject: Pull down shield for Mold Department.  
Action: Management is investigating a pull down type shield.
5. Subject: End cut off saw in Flatware Finishing Department is too dusty. *Emergency fix*
6. Subject: Complaints about stale cakes and pies.  
Action: Management has discussed this problem with the vendor and he stated that pies and cakes are not in the machine more than three days. He has documents from the pastry manufacturer stating that shelf life is 7 days without refrigeration. Sandwiches are removed every day.
7. Subject: Running of the sweeper on weekends. *no action*  
Action: Management stated that it has been set up so the Utilityman will run the sweeper on weekends.
