Dear Terry Siggers:

I am writing to inform you that the Compliance Assurance and Enforcement Division of Region 6, United States Environmental Protection Agency ("EPA") inspection of the Port of Galveston on December 7, 2022, included a visit to your facility at Pier 35, 3512 Wharf Rd. evaluating the potential for Resource Conservation and Recovery Act ("RCRA") violations. Based on the December 2022 inspections EPA has determined no further action is required.

As part of the inspection process your facility was issued and EPA identification number, referred to as an EPA ID#. That number is TXR000072033. This number was assigned to document the inspection and no future action determination.

If you have any questions regarding this letter or the inspection, please contact Debra Pandak of my enforcement staff at either the above EPA address or by telephone at (214) 665-7565.

Sincerely yours,
