by other foods in our diets. Cereals and cereal products are the foods to which we turn. Today we are eating 37 per cent more baker's products than in 1939 and there is less variety to choose from. Since

to share the glory of the of Maj. Charles J. Quilter, fine air corps flier who has Distinguished Flying Cross.

A second son was born Wednesday night to the wife, air hero at the Palo Alto hospital. The baby will be Christopher Michael. He soon join his 19-months-old brother, Charles II at 570 Cl street where Mrs. Quilter has her home with her mother, E. C. Howe.

Major Quilter is stationed in the South Pacific area.

MRS. PAUL A. WARE, Palo Alto avenue, who has been visiting relatives in Long Beach, has returned to her home.
