Below is a quote that could be included somewhere in the news release:

Minnesota AgriGrowth Executive Director Perry Aasness stated, "We're pleased Administrator Pruitt has traveled to Minnesota to hear directly from Minnesota farmers and agribusiness leaders regarding their concerns over the 2015 WOTUS rule. AgriGrowth supports EPA's decision to re-evaluate the WOTUS rule, and is encouraged that Administrator Pruitt is committed to working with Minnesota and U.S. agriculture as the agency moves forward with its re-evaluation and any future modifications to WOTUS."

Please let us know if we can be helpful in arranging any interviews - I know there would be interest within the Mn ag broadcasters to do some radio interviews with the Administrator when he's in MN.
