My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, May 16th at 9:30 am. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the right heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Just touching base on our meeting 9:30am Tuesday the 16th with the administrator, when do you need names finalized to you? Also, as I recall you don't need any other security info besides and ID for getting into the building, correct?

Thanks for the response. Let me know on timing for a possible meeting in the Administrator's office. For logistical reasons on our end, we wouldn't try to bring our entire group over, but would like bring a subset of 8-10 folks (or whatever you suggest is appropriate size for your space).

Good morning Ken,

Hope you've been well! I don't think we will be able to make the speaking portion happen. However, we might be able to host you at the EPA for an in office meeting if you all have a time that works over the duration of your stay. Kindly let me know your thoughts on that at your convenience.

Thank you!
