Dr. R. A. Kehoe
Kettering Laboratory of Applied Physiology
University of Cincinnati
Cincinnati, Ohio

Dear Bob:

I told you I would send you our report on the troubles we had with that special paint on floating dry docks. I enclose copy herewith prepared by Dr. Pinto and Lt. Ege. Please return it soon, making such notes as you wish.

Sincerely yours,

Philip Drinker
Chief Health Consultant

P.S. I expect to hear from you about the Beth - Fairfield P & B business & am extremely grateful for making the visit to me. Phil
