

Steering Committee urges that you give this matter your careful consideration. I will be very pleased to talk over with you, by telephone, any aspect of these issues and construct an agenda to provide your point of view at the next meeting which has been set for November 30, 1976.

As you will see from the Minutes of our September 28th meeting, a temporary budget of \$100,000 was established for the period through November 1976. We will prepare a permanent budget for the remaining months in FY77 (December 1976-May 1977) and mail it to you before the November 30th meeting.

I have prepared a questionnaire that might be useful in indicating your Company's position on future scope of activity.

Very truly yours,

A. Ross Adams
Chairman
