June 20, as I mentioned. It then gets tougher to be there in person. Could manage July 6 or 7 or Aug 1 or Aug 2.

PS Just got a note from Richard Yamada telling me he's coming over as AA for ORD. Good choice.

Possible I'd have some time early afternoon on Friday. I'll know for sure by tomorrow AM. Would that work for you?

Or I could do something before 3 pm on Tuesday, June 20. Of course, a phone call would

be much easier, with many more opportunities.

Steve, the Administrator remains very excited about conducting this exercise. He had bounced this and other ideas off others he has worked with for some time and others in the Administration. We would like to proceed further with the red-blue exercise. Although I do not yet have an AA for ORD, I will have a Deputy AA for ORD starting in mid-June. He will have a few initial duties, but helping start this process will be one of them. I would also like staff in ORD to help on this to get the cooperation of both political and career on this project.

We have determined that the best way to process your paperwork is to compensate you as an “administratively determined” position which is unique in the federal hiring process to EPA. There is no vetting other than OPM paperwork which allows us to have you on the payroll in short order.

I would like to discuss with you how go about next steps when convenient. Thanks again for your help with this. We are looking forward to it.

Ryan.

Ryan:

Much enjoyed meeting with you and the Administrator last Friday.

As promised, I attach a prospectus for a Climate Science Red-Blue Exercise. As I've watched the media since our meeting, I've become even more convinced that this would be a very good thing to do.

Many of the design choices are deliberate, but perhaps their rationale isn't evident. Would be happy to discuss further – this is only a first draft.

Thanks Ryan!

Byron, finally had a date finalized by the FOIA office. We will be meeting with them on Thursday July 13th at 3pm in ARN 2528. Looks like they are sending the following EJ and OGC lawyers to meet with us over my FOIA request

Ericka Farrell, Mary O'Lone, Jeryl Covington, Daniel Isales, Lilian Dorka, Kurt Temple, Nicole Rementer & Mark Stilp

I'm actually going to be at EPA this afternoon for a 1pm meeting with Mandy Gunasekara and David Fatouhi about reporting air emissions from livestock facilities. If you have any time free this afternoon, maybe we can chat for a few minutes about my FOIA request for Environmental Justice documents.

Ryan

Any time to chat about this FOIA request I sent in to EPA earlier this month? It involves the ongoing Environmental Justice matter that we've been dealing with in North Carolina.

Thanks
