Good morning,

I am assisting the scheduler to set up a briefing although the Administrator will be out of the office on travel. Can you give me a few topics the AAW would be interest in hearing. We have staff meeting on Monday until 2:00 pm, therefore we would need to 2:15-2:45 (processing and seated) 2:45-3:30 pm for briefers. How many attendee's this year? I would need to do the security passes which they are still processed through our security with a valid identification.

Good morning Kristi,

Thank you so much for reaching out! Unfortunately Administrator Pruitt will be overseas on June 5th but I am happy to search for a surrogate to talk with your group in his place if that is something you would be interested in? Kindly let me know your thoughts and I'll see what I can do.

Thank you!

Good afternoon Cheryl,

I have been working with Ruth Jensen to schedule appointments for American Agri-Women (AAW) while we host our Fly-In in Washington DC. I appreciate your help in setting up our time at EPA! We can be at EPA in time to go through security at 1:15 p.m. and meet from 1:45-2:45 on Monday, June 5.

I have tried emailing my contact within the EPA Ryan Jackson, but haven't been successful yet in setting up a meeting time or space. I really appreciate your help. Please let me know if there's additional details I can provide to help with the scheduling.
