	battery-makers

Orange Minerals

When you order lead oxides from us, you can depend upon getting material properly oxidized for the purpose specified. We are the oldest and largest company in the business and we have an unequalled amount of experience in lead oxidizing. When you buy our oxides you get the benefit of our experience along with the material.

We have the equipment and facilities as well as the "know-how." With branches and factories throughout the country, we are well equipped to give you the service and deliveries you want.
