Mr. Boyd Erickson
U. S. Steel - Geneva Works
P. O. Box 510
Provo, Utah 84601

Dear Mr. Erickson:

Per our September 24, 1976 telephone conversation, I am enclosing a copy of ASTM Method D-3304 for measuring trace levels of PCBs in water. Please feel free to call me if you have further questions.

Sincerely,

James P. Mieure
