Subject: Re: TX/LA Flooding

How about a short call at 10:30 EDT?

Thanks, Lee. Great to re-connect after spending time together at dinner, even if amidst some very challenging circumstances for our friends in TX and now LA too.

Would be happy to talk tomorrow morning; let us know what times might work. I am pretty open except for 9-10 Eastern. Jim is in Chicago tomorrow so let's set up a call-in. I am copying my asst Gabriel to help with the logistics.

Best,
Bob

Thanks Michael.

Bob and Jim I look forward to talking with you all soon. Let's all pray we don't have anything catastrophic to talk about at your facilities.

Can we find a time to talk tomorrow morning?

Lee

Bob, Jim and Lee –

Want to introduce you (at least electronically) and open up a line of communications between BP and Lee regarding the flooding in Texas and Louisiana.

Lee is serving as the Acting Assistant Administrator for Water at EPA.

Bob and Jim are in the DC office for BP.

Please let me know if I can do anything to further aid your conversations.

Michael
