Mr. J. E. Powell, District Director
U. S. Department of Labor, OSHA
Room 202
515 Carondelet Street
New Orleans, Louisiana 70130

Dear Mr. Powell:

Title 29 Chapter XVII 1910.93g - Designation
of Regulated Area for Vinyl Chloride

Allied Chemical Corporation, Industrial Chemicals Division, Baton Rouge North Works, located at the west end of Gulf States Road in Baton Rouge, Louisiana whose mailing address is P. O. Box 271, Baton Rouge, La. 70821, is a manufacturer of vinyl chloride monomer.

In accordance with 1910.93g we have designated a regulated area for vinyl chloride. We intend to review the designation of the restricted area after a continuous monitoring system has been installed. You will be notified within 15 days of any changes to the regulated area.

At the present time during normal operations there are fifty men (including operators and maintenance men, Foremen, technical and loaders) who will be working in the regulated area.

Very truly yours,

ORIGINAL SIGNED
P. B. CORNELL

P. B. Cornell, Manager
Baton Rouge North Works
