W B PAPAGEORGE IND CHEM CO STLOUIS

RE TX U.S. AGENCY COMMENT ON PCB IMPORTS TO U.S. THIS WAS NOT AND IS NOT MMK. MMK HAS MADE NO SALE OR IMPORT OF DRUM AROCLOR DIRECT INTO U.S.A. SOME MMK EXPORTS TO TAIWAN OR INDIA ENDED UP IN SQUIPMT, CONDENSERS ETC. AND THEORETICALLY POSSIBLE THAT SOMEONE COULD HAVE RE-SHIPPED DRUMS OF MMK MTL -- WE DONT KNOW EX-TAIWAN OR EX-INDIA.

FOR YOUR PRIVATE INFO ONLY, KANEKAFUCHI HAS REPORTED TO MITI INDICATING 540 MT SHIPPED TO U.S. BETWEEN APRIL 1971/MARCH 1972 AND NOW HAVE ORDER FOR 1000 MT TO SHIP TO U.S. IN 1ST HALF 1972.

REPEAZ -- NO JAPANESE PCB EXPORTS TO U.S. HAVE BEEN FROM MMK. IF YOU WANT, WILL PROVIDE COPIES OF INVOICES FOR ALL MMK EXPORTS.

DURLAND

CORRECTION: TEXT 3RD LINE 3RD WORD SHOULD READ EQUIPMT
