Our group is going to run out after this meeting which was 3 pm but hasn't started. I wasn't sure about the lay out here so I wasn't sure about how close you were. Let's try and plan a social lunch soon. My office is like 4 blocks away

Assume you are in EPA East where Office of Water is located. I am in North building. You can get there from here, but you have to know your way. I could meet up around 4pm for a social call but just wanted to note that I am recused from working on oil and gas issues.
