Subject: Western Talc Company Products

All Western Talc products trademarked WESTAL, SNOW GOOSE and VANSIL will no longer be offered for distribution or sale effective as of January 7, 1974. Please remove all samples and working stocks of these products from your department. Please also destroy any literature or labels that you may have on this product. Please retain, however, your working files that you may have on hand with regard to these products and we would not want to destroy those until future notice.
