Dear Mr. Neuwirth:

In reply to your letter of December 29, 1969, attached is our brochure entitled "Sand Grinding Process For Dispersing Pigments". This is the only brochure we have available on this subject.

Du Pont's sand grinding patent licensing program expired on January 8, 1969 with the expiration of U.S. Patent 2,581,414. No license is required for the terminal portion of U.S. Patent 2,855,156.

Very truly yours,

A. B. N.
