**Subject:** Invitation to Address EEI Air Quality Subcommittee

Mandy and Clint –

EEI's Air Quality Subcommittee will be meeting on Wednesday, March 6 in Washington. We would be honored if you could join us.

The meeting usually is held from 9 – 11 a.m., although we might have some flexibility in the timing. We last hosted EPA when Bill Wehrum attended in early December 2017; it was Bill's first outside appearance after rejoining the Agency.

About 40 EEI member companies typically attend Air Quality Subcommittee meetings, with some participating via webinar. The Subcommittee is co-chaired by Ameren and Dominion. I would be glad to provide more information, such as names of companies, and to brief you on the agenda, etc.

Your portfolios match the Subcommittee's interests and I hope that this can work out. Thanks for considering this request.

John
