Dear Mr. Krieg:

Supplementing our letter of April 25, enclosed is a listing of the individuals on whom death claims were paid for the years 1953 through 1956, inclusive.

As previously indicated, the Home Office has informed us that they do not have any information for the years prior to 1953, but we hope this listing will be of some help to Dr. Mancuso.

Very truly yours,

J. R. LYNCH
Group Supervisor
